Title: Community Services Block Grant (CSBG) Model Plan Application.

OMB No.: 0970-0382.

Sections 676 of the Community Services Block Grant (CSBG) Act requires States, including the District of Columbia and the Commonwealth of Puerto Rico, and U.S. territories applying for CSBG funds to submit an application and plan (Model Application Plan). The application plan must meet statutory requirements prior to being funded with CSBG funds. Applicants have the option to submit a detailed application annually or biannually. Entities that submit a biannual application must provide an abbreviated application the following year if substantial changes to the initial application will occur.

This request is to revise the approved Model Application Plan for States by automating the form, streamlining the information, and incorporating accountability measures. The revised and automated form may impose an added first-use burden; however, this burden will diminish substantially in subsequent years. Copies of the proposed collection of information can be obtained by visiting <http://www.acf.hhs.gov/programs/ocs/programs/csbg>.

Respondents: State Governments, including the District of Columbia and the Commonwealth of Puerto Rico, and U.S. territories.
